

Early Childhood Mental Health Consultant

The Early Childhood Consultation Partnership (ECCP[®]) is a nationally recognized, evidence based, statewide early childhood mental health consultation program, developed to meet the social/emotional needs of children birth to five. ECCP[®] is designed to build the capacity of caregivers by identifying strengths and offering support, education, and consultation, which promotes the most enduring and optimal outcomes for young children. ECCP[®] is managed by Advanced Behavioral Health (ABH), Inc. ABH works in partnership with community based mental health agencies related to the ECCP[®] Early Childhood Consultant positions.

Position summary: The Early Childhood Consultation Partnership (ECCP[®]) Consultant provides mental health consultation to early care and education programs and families within a certain area of the state. In addition, the ECCP[®] Consultant is responsible for writing action plans, and working within an Information System. ECCP[®] Consultants also attend early childhood community and statewide collaboratives and provide trainings to early childhood providers on social emotional topics. The ECCP[®] Consultant will be provided with specialized training as well as ongoing supervision.

Qualifications: A Masters Degree in Mental Health, (license preferred) at least 2 years of post graduate experience working in the field of mental health with young children and families, experience working in early care and education settings a plus. Excellent time management and organizational skills are a must. Bilingual candidates are encouraged to apply.

Travel is required for this position, a valid CT driver's license and reliable transportation is needed.

The following area has an ECCP[®] Consultant position opening:

Torrington

To apply, send your cover letter and resume to ECCP[®] Assistant Program Manager, Jola Borto at jborto@abhct.com and ECCP[®] Program Coordinator, Juan Ortiz at jortiz@abhct.com. In the title of your email, please write: "Early Childhood Mental Health Consultant Position" and indicate which town(s) you are interested in applying for. ABH will forward you inquiry to the hiring agency.
