RECURSOS

Introduction

Childcare programs can provide items and experiences that enhance children's learning and families' wellbeing without having a big impact on the budget.

Introducción

Programas de cuidado de niños pueden ofrecer cosas y experiencias que mejoren el aprendizaje y el bienestar de las familias de los niños sin tener un gran impacto en el presupuesto.

E C C P

The page features several decorative elements. On the left, there is a large, light-orange silhouette of a teddy bear sitting on a stack of blocks. To the right of the bear are several colorful, hand-drawn flowers in shades of pink, purple, yellow, and blue. At the bottom center, the letters 'E C C P' are written in a light green, rounded font.
