

EMOTIONAL CONNECTIONS

CONEXIONES EMOCIONALES

Introduction

Caregivers who strive to build a positive and loving relationship with each child in their care, help them to learn patterns of interaction that will endure throughout life.

Introducción

Cuidadores que intentan forjar una relación positiva y cariñosa con cada niño en su cuidado ayudan a ellos a aprender patrones de interacción que sobrevivirán a lo largo de la vida.

A decorative graphic on the right side of the page featuring several colorful flowers in shades of red, purple, yellow, and blue. Below the flowers, the letters 'E C C P' are written in a light green, rounded font.
